Family Faith Talk

Question for your Consideration

How can I cultivate a more openly spiritual climate in my home?

In the Bible, *adoption* is the process where *God* establishes an intimate, *unbreakable* relationship with those who trust in Jesus Christ as their Savior

- Read Ephesians 1:3-10
- Discuss:
 - What are some reassuring thing found in this passage?
 - How does knowing God’s desire to adopt us affect how we act towards Him? Towards others?
 - Discuss what being adopted by God means.
 - Discuss whether you can ever *stop* being God’s child.
 - What are some ways we can embrace God as our Father and grow in our faith and trust?

Special Thanks

Our lives have been touched by so many individuals in this church. We have been dealing with some heart-wrenching loses in our lives over the last couple of months. Michelle's dad passed away in November & our house burned down in January during renovation. We were expecting to move into our new home before our family expanded and we welcomed our little boy. However, we have been constantly reminded of God's presence in our lives during this time. Michelle's pregnancy and the anticipation for our son has truly been a gift from God. Also, the love and support shown to us from the church family has simply been amazing. We thank you with all of our heart for the generosity shown to us in providing us a baby shower and for all of the thoughtful gifts. The experience has been overwhelming and all of your kindness will never be forgotten. A special thank you to Brandy Neuman for all of her time and creativity and Catherine Bryant for all of her help.

With Love & Gratitude, Chris and Michelle McBurney
